

## NEMOARC MINUTES

October 13, 2019

**Present:** Dan Aaronson KEØ, John Perrachione AJØHN, Becky Balfour NØBEX, Dave Balfour KØMBT, Tom Lloyd KEØFOM, Alex Fleak KDØYTE, Vance Myers KDØSGU, Jim Farmer KAØBAT, Russell Shirk KEØHVU, Mel Wheeler WDØFRY, John Neeley KDØCUD, Dave Krueger ABØDK, Kathy Krueger KDØSGM, Chuck Porter WBØZHB, Charles Porter KCØHPD, Paul Stidham KEØPMR, Don Bindner KDØPGM

**Review of Minutes:** Minutes were not available

**Treasurer's Report:** Repeater \$524.03, Bank Balance \$738.23, Club Balance \$945.23

**Old Business:** ABØDK reported that we are not able to get the repeater to ID in the old way. GO KITS currently available are 2 with HF/VHF/UHF and 1 VHF/UHF. ABØDK also reported that the old 440 repeater needs crystals to be ordered. He stated that it might be best to submit a request to ACHD for a new 440 repeater.

**New Business:** WBØZHB stated that he would like to have a new master control for the Tuesday/Thursday 8:00pm net. He asked KDØSGU to take this position and organize net control for these nets. KDØYTE stated that the preamble for all nets is on the NEMOARC.org website.

ABØDK discussed the flu shot clinic and thanked all who participated: net control- KDØYTE/KDØSGU assisting, Novinger- AJØHN, Brashear- WBØZHB, Fairgrounds- ACØKY/KEØPIA, Schuyler- KA9PDK, Macon- Larry ABØHP/Dale KØKY, Randolph- Monte NØAUY/Matt NRØQ/KDØSGM, Rover ABØDK

The tower site at KTVO was discussed and they will provide the cable to the radio shack. A secondary 17' comet type antenna which we have could be used slightly lower on the tower for APRS or traditional Packet using the current hardline. KEØFOM has the new hardline ready and we are waiting for the State to approve a climber bid.

Insurance for the equipment is currently \$96.00 per year and will increase with new equipment. The club voted to do this with a \$200 cap. KEØFOM said to do replacement value.

KCØHPD stated that he paid the new \$10 Missouri repeater council dues. The annual MO. Repeater council meeting is Nov. 9, 2019 in Columbia.

**Demonstration:** KØMBT brought equipment that he had made including: a keyer paddle and straight key, QCXCW transceiver, end fed ½ wave antenna feed box

**NEXT MEETING: November 10, 2019 1:30 at ACAD 606 W. Potter**
